# MEMORANDUM

CITY OF GRAND RAPIDS

Date: March 3, 2003

To: Margaret Bloemers  
Assistant City Attorney

From: [REDACTED]  
Internal Affairs Unit

Subject: **Subpoena reference Presidential Protest**

---

The Grand Rapids Police Department Records Unit was served with a subpoena and notice of motion to compel discovery late in the afternoon on Friday, February 28, 2003, from Attorney Peter P. Walsh. The defendant in the case is Jeff McClimans, one of the subjects arrested in the area of Fulton and Ionia during the post-Presidential visit protest. The items listed in the subpoena include videotapes, memos, books, procedures, tactical preparations, use of undercover officers, and several other similar items.

I am turning the subpoena over to you for follow up, I am unsure of the proper procedures to follow at this point. I would have thought these documents should have gone through the Criminal Division of the City Attorney's office. I also believe we should contest the release of some of the requested information if that is possible.

A copy will also be sent to the Chief, and Captain Carrier, as she was the event commander. Please let me know if there is anything that I need to do as a result of receiving these documents. Thank you.
