What is Critical Mass?

Critical Mass is a community bike ride designed to promote and celebrate pollution-free transportation. We ride through the streets of downtown Grand Rapids at rush hour to show that bikes are traffic and have a legitimate right to be in the streets. Critical Mass rides occur on the last Friday of every month in over 200 cities around the world.

For more information on Grand Rapids Critical Mass, please browse the various pages on this site. If you have any questions about the ride, send a blank

This has nothing to do w/ Bush, but they will be downtown on same day and the same organization is doing protesting also.
